

We are currently recruiting a **LEGAL ADVISOR** (FULL TIME)

Do you want to work with an innovative and European company?
Help us write beautiful and sustainable stories in your city and elsewhere.

EQUILIS IS AN INTERNATIONAL REAL ESTATE DEVELOPER PRESENT IN EUROPE

We are a developer that is composed of a team of multi-talented, multidisciplinary, multilingual, multicultural individuals, able to tell the whole story from the first introduction, from planning, architecture, and construction to financing and marketing, to the last full-stop. And we believe strongly that this diversity, in profession and background, fosters happier individuals, happier employees and happier investors, creating happier stories in the work that we produce.

JOB DESCRIPTION

As a **LEGAL ADVISOR** at Equilis Belgium,

- You will be the legal support for all projects in development
- You will be involved from the very beginning of a development project, till the end. It implies legal support at all stages of a project, including procedures for acquisition, for obtaining work permits, but also assisting teams in building stages and delivery to clients
- You will be a reference and a precious partner to assist developers, constructors, and sales teams
- You will insure the legal security of the projects (risks identification along the time life of a development project)
- You will coordinate all corporate housekeeping needs for the company and for our joint-ventures

- You will be the key legal support to the property manager
- You will directly report to the Legal Director, and be part of a dynamic and flexible team of 3 permanent people, and also some freelancers

PROFILE DESCRIPTION

We will consider candidates with

- Overall interest in architecture and a passion for sustainable innovation
- Master degree in law ; an additional certificate linked to real estate is a plus
- Experience : be familiar with real estate legal matters and/or have at least a 2 years-experience in a company, or at the bar, in the real estate sector
- Languages : French native – Good level of English and Dutch
- Teamplayer, business oriented, taking initiatives, passionate, rigorous
